

DON'T TRUST CORPORATE MEDIA-OWNED EXIT POLLS!

Did you know that on Election Day, the national exit polls conducted by the media corporations “adjust” their results to match the reported election results?

VOLUNTEER for the **ELECTION VERIFICATION POLLING PROJECT** and help conduct **CITIZEN EXIT POLLS!**

Election Defense Alliance is organizing a national Election Verification Polling (EVP) project.

Citizens will apply professionally managed, scientifically designed polling methodology to conduct exit poll voter surveys in strategically selected locations. Basically, it means presenting brief survey forms to voters exiting their polling places on Election Day.
